

Letter: Support State Rep. Anne Hughes

To the Editor:

State Rep. Anne Hughes advocates for ALL of us. Always accessible, responsive, empathetic, she actively solicits input and turns needs into action.

Her engagement is unflagging. Her daily emails are a pandemic lifeline; her PPE task force makes us safer; her education commitments increase federal funding; her fights against price-gouging save taxpayers money; her renewable energy efforts create jobs; her accountability legislation eliminates waste and social injustice; her collaborations in Hartford reflect bi-partisan teamwork; her balanced budgets bring state savings to historic levels—and that's just the beginning.

Vote for Hughes and a better, stronger Connecticut!
