

Letter: Tony Hwang for State Senator

To the Editor:

I am endorsing Tony Hwang for re-election for state senator for the 28th District which includes Easton.

Tony is a moderate who works across the aisle to get things done in Hartford. He is passionate about helping people who are less fortunate than others and he is always there for his constituents.

In short, Tony is the perfect person to represent us as state senator. Please join me in voting for Tony Hwang on Nov. 3.
