

Letter: Re-Elect Anne Hughes State Rep D-135

To the Editor:

With the SCOTUS vote looming, Anne Hughes is needed in Hartford more than ever. She's a dedicated leader and proven change agent finding creative solutions to the most painful issues we've ever faced. When COVID hit and we needed PPE, she led a response team to make it.

When we were in the dark after Isaias, she fought to get us back on the grid, and, helped pass legislation to hold utilities accountable. When the SCOTUS dismantles healthcare, Anne will be part of a Hartford firewall protecting CT. Re-Elect Anne Hughes. She fights for her district unlike anyone before her.
