

Letter: John Shaban for 135th State Rep.

To the Editor:

During these tough times, I see the challenges we face to stay united on a national level. However, on a local level, we need to elect representatives that will stay focused on our issues facing Easton, Redding and Weston.

We vote at both local and national levels so that we can get the appropriate representation we need.

John Shaban has a record of leadership, accomplishments and success at the local level that we need to return to.

We need John to get to work for us on a local level to fix the broken policies that are sinking us. We need fiscal responsibility and good sound judgment. John is the person we need to elect.
