

Board of Finance Seeks to Fill Vacancy

With the recent resignation of Matt Gachi as an elected member of the Board of Finance, there is now an opening for a new member to join the board. Per Connecticut statute, the replacement is chosen by a vote of the remaining elected members of the board.

If you are interested in this position, please convey to us your name and your qualifications to be considered. If you have questions or want to discuss the opening you can contact me through the town's website or my personal e-mail, arkbof@hotmail.com.

Whoever is selected will have some big shoes to fill. Matt was a tireless worker who launched several initiatives that improved the working of the board and benefited the community, some of which are still in progress.

Unfortunately for Easton, the demands of his business will prevent him from devoting the time to the board that he feels is owed to the public. He will be missed.
