Voices of Diversity Exhibit on Display at the Library

The Voices of Diversity exhibit has now been installed on the Library's front lawn. For the online exhibit, or to submit a quote, go to https://eastonlibrary.org/voices-of-diversity.

The exhibit focuses on inclusivity and diversity in all of its powerful and glorious forms. Library staff encourage submissions of quotations of well-known and lesser-known individuals who have made a mark to further social justice and alleviate implicit bias.
