

# Virtual Community Forum Set for Superintendent Search

---

As the ER9 Boards of Education searches for the district's next superintendent, community members have a few ways they can weigh in.

On Wednesday, July 28, Dr. Joseph Erardi, the search consultant working with the boards of education, will facilitate a 7 p.m. community forum on Zoom to gather information from attendees which will then be shared with the hiring committee.

The virtual forum will be one of four opportunities for community members to fully understand the hiring process and to share their thoughts on the next superintendent's skill set and character traits that they believe would best serve the Easton, Redding, Region 9 school community.
