

Vincent Caprio Takes Part in 9/11 Survivor and Responder Event

As a 9/11 survivor and responder, Vince Caprio of Easton said he was privileged to be part of a recent commemoration to mark the 20th anniversary of the September 11 attacks on America. VOICES Center for Resiliency invited members of the 9/11 community to participate in a solemn candle lighting service honoring responders, survivors, and those who have died of 9/11-related illness.

May 30 marks the 20th anniversary of the end of the nine-month rescue and recovery effort at Ground Zero. On that day, thousands attended the solemn ceremony where firefighters, law enforcement, and elected officials stood at attention as the last beam, draped in an American flag, was ceremoniously carried up the ramp.
