

# Elves Alight in Easton

---

Residents on Cedar Hill, Bibbins, Orchard, Silver Hill and Honeysuckle Roads had a surprise visit from two of the North Pole's finest on Saturday. They arrived in full regalia bearing treats and spreading smiles.

In the interest of full disclosure, the true identity of the the elves is Diane Pepe (on the left) and Karen Rakitt.

Apparently their visit was cut short by an urgent summons from Santa, whose twice-checked list required their immediate attention.

Ho ho ho! Merry Christmas!
